

St. John's 200 Club

Once again it is time to join the 200 Club. The fee remains at £10 per person which entitles members to THREE EXTRA FREE DRAWS in the year. We have a draw each month with three prize winners. The actual prize money does, of course, depend on the membership numbers, but last year it was £25 for the first prize, £10 for the second and £5 for the third. At Christmas we also have an extra cash prize.

If you are interested in joining, please complete the form below and return it to the Vicarage in an envelope marked 200 CLUB as soon as possible. Each member will be given a membership card with his or her own personal number.
